Peabody to Acquire Eight Coal Companies

Will Form Major Producer in Middle West, Gressens Says

CHICAGO — Peabody Coal Co. today revealed plans to acquire eight other firms and form one of the nation's biggest coal producers.

President Otto Gressens said the eight companies would be acquired in a stock exchange deal that might total \$33,343,000.

The companies Peabody wants to obtain are known as the Sinclair Group. They operate strip mines only in Missouri, Oklahoma, western Kentucky, Illinois, Indiana and Ohio.

The firms are SENTRY Royalty Co., Power Coal Co., Homestead Coal Co., Sinclair Coal Co., Key Coal Co., Broken Arrow Coal Co., Alston Coal Co., and Sinclair Mines Inc.

Subject to SEC Okay

Peabody operates underground mines in Christian and Saline counties, Ill., and Harlan County, Ky. It also has extensive reserves in Washington, Randolph and St. Clair counties, Ill.

Gressens said the acquisition of the eight other firms would form "a major producer for the markets in the Middle West."

The consolidated company would have reserves of about 1,700,000,000 tons of "economically minable coal" by both the strip and underground mining methods, Gressens said.

The proposal is subject to approval of the Securities and Exchange Commission in Washington. It also must be accepted by holders of at least 80 per cent of the Sinclair group shares.

Peabody would exchange a maximum of 6,492,164 shares of its common stock for the shares and properties of the Sinclair group. Peabody shares were valued at \$2.29 each.

The minimum number of shares of Peabody stock exchanged would be 5,210,033—enough to acquire 80 per cent of the Sinclair group stock. At \$5.29 a share, this would be \$27,613,175 worth of stock. The maximum of 6,492,164 shares would have a value of \$33,354,548.

Key Coal One of Eight

Key Coal Co., one of the eight that would be acquired by Peabody, operates a strip mine in Fulton County, Ill., and has reserves under lease in Schuyler County.

A preliminary prospectus issued by Peabody estimated Key has a remaining life of about 10 years.

Peabody would gain control of several subsidiaries of the eight firms, including Northern Illinois Coal Corp. and Seminole Coal Corp.—a wholly-owned subsidiary of Northern.

Northern has strip mine operations in Will and Kankakee counties, and Seminole runs a strip mine in St. Clair County.

The Sinclair group produced 8,288,645 tons of coal and had a net income of \$3,981,260 in the year ended April 30. Peabody produced 8,311,739 tons and had a profit of \$1,119,318 in the same period.

Parents of Polio Stricken Boy Sue Cutter Firm

OAKLAND, Calif. — The parents of a 4-year-old boy stricken with polio after being injected with Cutter-produced Salk polio vaccine planned today to sue the Cutter Laboratories of Berkeley for \$100,000.

Mr. and Mrs. George E. Fitzgerald, Oakland, were granted permission Saturday by Salameda County Superior Court to sue the firm. Court permission is required before a suit can be filed on behalf of a juvenile.

The Fitzgeralds' son, Ronald, was stricken with the disease April 25, a few days after his mother, a registered nurse, gave him an injection of the Cutter vaccine. Hospital authorities said Ronald is undergoing treatment, but has shown no improvement.

The petition asking permission to sue named the Cutter Laboratories and four John Does as defendants. It charged Ronald became ill "as a result of negligence on the part of the defendants."

The action is believed the first of its kind since the mass vaccination with Salk vaccine got underway. The suit will be filed shortly. F. A. Cutter, vice president of the laboratories, declined comment on the Fitzgeralds' petition.

Miss Ellen Dallas to Tour Far East With Indiana Belles; To Graduate June 13

By Alta Porter
Miss Ellen Dallas, daughter of Mr. and Mrs. Loren Dallas, Carrier Mills, who will be graduated from Indiana university, Bloomington, June 13, will leave via plane from Bloomington June 14, for an 11 weeks' tour of the Far East. She will go with 17 other beautiful belles who compose the Indiana university's popular vocal group, "Indiana Belles."

It is nothing unusual for Miss Dallas to stand out in musical talent. That she has been doing since she was a little girl, reaching for the piano pedals as a pupil of Mrs. P. W. Sherman, Harrisburg voice teacher. Saline county people who have heard her in numerous public music programs, will follow with interest her travels with the USO in Korea, Japan, Guam, Iwo Jima, Okinawa, and other islands of the Pacific, where American Navy, Air and Marine forces are based.

Featured Soloist

She has stood out as a music pupil at Indiana university, having a major role in three operas, "Parsifal," "The Magic Flute," and "Fleidermaus." Her college degree is a Bachelor of Science with voice concentration. Since "The Belles" were organized three years ago, she has been a member and has been a featured soloist for the past two years.

This group of coeds stood out enough that they received a color page in Life magazine last October, and were chosen as the first amateur group to make a foreign tour by the USO after a successful tour of camps of the Third Army last December.

They stood out enough to be chosen by Hoagy Carmichael, an IU graduate, to take part in a convention by the Indiana Society of Chicago, honoring Hoagy Carmichael, at the Conrad Hilton hotel last December. On the same program were Marilyn Monroe and Liberace, among other notables.

Vast Storm System Rakes Midwest Areas

By United Press
Tornadoes struck from the Texas border country to North Dakota Sunday night and a vast storm system whipped the nation with rain and thunderstorms from the Mississippi River to the Rockies early today.

The twisters touched down at Encinal, Tex., 40 miles north of the Mexican border, at Florence, Tex., near Spillville, Iowa, and near Valley City, N. D.

No lives were lost and the damage did not compare with the havoc wrought by the twisters in the Southwest earlier this season. But the storms were a continuation of violent weather which has battered the area this year.

Meanwhile, heavy rains soaked a wide area, a lightning bolt killed a little girl and knocked down two playmates in Chicago, and sumo wrestlers barked large portions of the East.

Bradford, Ill., got the nation's heaviest dousing as 1.40 inches of rain fell in 6 hours and 3 inches came down in 12 hours.

Hail stones the size of golf balls clattered down at Gainesville, Tex. More than a half inch of rain pounded Chicago during a half-hour period and a lightning bolt knifed down to a South Side picnic grounds, killing a 13-year-old girl.

The victim, Gladys Griffin, was about to leave a church picnic with two friends when the lightning hit her. Her two companions were knocked down, but were not injured seriously. It was Chicago's second lightning fatality in two days.

Week-end rainfall measured 1.08 inches here, Harrison Kibler reported from the Pankey Branch pumping station.

SECRETARY OF STATE CHARLES F. CARPENTIER is shown as he was host at a luncheon for supervisory employees of his office at Springfield who have completed a two-semester course given by the University of Illinois extension division in "Human Relations in Supervision." In addition to those who took the course, department heads and the instructors attended the affair. Seated, left to right, are: Herschel J. Blazer of Aledo, chief clerk of the Secretary's office; Secretary Carpentier; Terry W. Edwards, lecturer of the U. of I. extension division; Stanley Robinson, assistant dean of the division; Samuel Brancato of Springfield, corporation department; Donald D. Ed of Petersburg, auto files; Anna R. Laughlin of Hillsbrook, drivers license; Standing, left to right are: Walter V. Brown, local representative of the U. of I. extension division; William B. Westbrook of Harrisburg, chief clerk of the automobile department; James L. Knapp of Springfield, drivers license; John Smith of Springfield, drivers license; George F. Williams of Marion, drivers license; Robert H. Harris of Eldorado, fee checking; George Batchelder of Harrisburg, auto correspondence; Jack C. Dale of Springfield, drivers license; and Warren Curtis of Springfield, validating. Three others who took the course were unable to attend the luncheon. They are William E. Davis of Elkhart, Lena L. Riley of Springfield and Ronald G. Hultetus of Eldorado.

Miss Ellen Dallas

TV appearances and recordings are common events in her lives. Will Be Rugged Trip

Their trip to the Far East will be no "bed of roses," for they have been told that they will travel by train, ambulance, truck or jeep, will have the ground for a stage in some of the island camps, will make shift with tent dressing rooms, and will sometimes be billeted in tents.

Thrilled as they are at the prospect of visiting the service men and entertaining our soldiers under tropical skies and palms—they have not been too happy about having to take 20 tetanus shots, inoculations for typhoid, smallpox and cholera prevention.

And, the Belles do not relish too much giving up their feminine frippery for slacks on a plane; requiring for possible bailing out purposes, and—Army uniforms without insignia—except when wearing costumes for the stage or for formal entertainment in the countries visited.

Their last two days will be spent in Hawaii, where their director, Eugene Bayless, has two foster Chinese sisters, girls who were reared in California by his missionary father, Ralph W. Bayless, who resided at Lihue, on the island of Kauai, when Eugene was born and where he lived until he was four years old.

Future indefinite
Her parents are grateful that she will be able to make the tour in behalf of U. S. service groups, and have been assured that the coeds will be flown out immediately if their itinerary should become endangered by fighting.

They will go to Bloomington to attend the commencement and will be accompanied by Mrs. Clyde Dallas, Harrisburg, and Mrs. Dayton Dallas, Eldorado.

Miss Dallas has made no definite plans about her future, upon returning from the tour. Her concern right now is packing enough nylon lingerie, bobby pins, and other Pacific area rationed articles without going beyond the luggage limit set by their tour conductor. Their instructions are to "look your best—with the least excess" in the way of civilian clothing and accessories. And, to include "as much camera film as you can."

There will be two reviews of the cadets today, an alumni lunch and another dinner tonight for the President and the men of 1915, known today as "the class of generals."

U. S. Sergeant Seized by Czechs

WADDAUS, Germany — The U. S. Army announced today that an American sergeant was seized at machinegun-point Sunday by Red Czechoslovak border guards when he wandered across the Iron Curtain frontier while taking motion pictures.

An Army spokesman identified the soldier as Sgt. Walter T. Winter, of the 173rd or 175th Signal Battalion, stationed at Thionville, France.

The spokesman said Winter wandered 60 feet inside the Czech frontier.

A second soldier, a sergeant from the same unit, avoided capture by fleeing while still in West German territory.

President at West Point For 'June Week'

Plans Important Foreign Policy Address Tuesday

WEST POINT, N. Y. — President Eisenhower plans to make an important foreign policy pronouncement Tuesday before the colorful backdrop of the U. S. Military Academy, it was learned today.

The Chief Executive, here with his wife for June Week commencement festivities and the 40th reunion of his academy class of 1915, will speak Tuesday shortly after 10 a. m. EDT.

His remarks to the 469 West Point graduates will be carried around the world by radio and television. The White House declined to say what Mr. Eisenhower would talk about, but persons familiar with the President's recent thinking said he would give the graduates a sober and possibly optimistic view of future international relations.

61st in Class

The Chief Executive was graduated here in 1915 in a class of 164 men. He was 61st in the class. Today there are 115 members of the class still alive. Most of them were here for the 40th reunion.

The Chief Executive and his wife arrived here Sunday afternoon by plane from Washington and were immediately swept up in the nostalgic activity beloved by every man who once went through the difficult four years of the academy.

First, the President went to "The Plain," the majestic academy parade ground, to take a retreat replete with the brilliantly compared Cadet Corps and smile approvingly at the awards presented to the men who excelled in military and scholastic arts during their senior years.

Lavish Dinner
After the retreat review, the President and Mrs. Eisenhower drove some 16 miles from the academy to the lush farm of New York restaurateur Gene Leone for a lavish dinner with other members of the class of 1915.

Today's schedule called for the President to march in civilian clothes—with members of his class to annual memorial exercises before the monument of Sylvanus Thayer, class of 1808 and regarded by military men of this country as the real "father" of the academy as now constituted.

There will be two reviews of the cadets today, an alumni lunch and another dinner tonight for the President and the men of 1915, known today as "the class of generals."

U. S. Sergeant Seized by Czechs

WADDAUS, Germany — The U. S. Army announced today that an American sergeant was seized at machinegun-point Sunday by Red Czechoslovak border guards when he wandered across the Iron Curtain frontier while taking motion pictures.

An Army spokesman identified the soldier as Sgt. Walter T. Winter, of the 173rd or 175th Signal Battalion, stationed at Thionville, France.

The spokesman said Winter wandered 60 feet inside the Czech frontier.

A second soldier, a sergeant from the same unit, avoided capture by fleeing while still in West German territory.

Cancer Statisticians Hit Cigarettes in Report to American Medical Society

ATLANTIC CITY, N. J. (AP) — Two American Cancer Society statisticians gave cigarette smoking a new and even rougher going-over at the annual meeting of the American Medical Association today.

At the same time and place, another group of statisticians indicted cigarette smoking as a possible cause of larynx cancer, especially when the smoking is combined with heavy whiskey-drinking.

According to the new lung cancer statistics, the death rate among heavy cigarette smokers (two packs or more a day) is more than 90 times that of non-smokers but the death rate among men who once smoked cigarettes but stopped is 14 times greater and is only half the rate of moderate (one pack a day) smokers.

Records Smoking Habits
These percentages were based upon 285 proven or suspected lung cancer deaths among 188,000 men who were between 50 to 70 years old when their smoking habits were recorded by Cancer Society volunteers beginning in November, 1951. Since then, 8,105 of these men have died. The society believes the 188,000 and what has and is happening to them are representative of all American males of the same age group. Critics of the study, especially the tobacco industry research committee, disagree.

In their new statistics, the society's statisticians found that pipe-smoking is "associated" with lung cancer, too, but to a far lesser degree than cigarette smoking. They gave no amount of cigarette smoking, no matter how light, a clean bill—in short, they said their figures indicated the heavier the smoking of cigarettes, the higher was the chance of lung cancer.

Scientists Polled
Dr. E. Cuyler Hammond, director, and Dr. Daniel Horn, assistant director of statistical research for the Cancer Society, made the report. Hammond also is professor of biometrics at Yale University. The larynx cancer statisticians, who were on the same program, were from the Sloan-Kettering Institute of New York.

To complete the report at the scientific session on "cancer and medicine," Dr. Charles S. Cameron, medical and scientific director of the society, said he had polled scientists who see the most cancers or are qualified cancer experts and found that a majority of them believe that "heavy smoking of cigarettes may lead to lung cancer." He said that 63 per cent of the chest surgeons, 50 per cent of the pathologists, and 54 per cent of the cancer research scientists whom he polled, answered "yes" to that statement.

Recess For Several Days
Those six companies employ more than two-thirds of the basic steel industry's production workers. After they have received the union's demands, the negotiations probably will be recessed for several days to permit management study of the proposals.

McDonald has described the union's demand only as a "substantial wage increase. Under terms of the USW contracts, negotiations this year are limited to rates of pay. Other demands, such as the guaranteed annual wage, chief issue in the CIO Auto Workers current battle with the automotive industry, are barred until 1956.

State Tax Group Urges SIU to Raise Tuition Fees

SPRINGFIELD — The Taxpayer's Federation of Illinois has urged that Southern Illinois University raise its tuition fees to the level of University of Illinois fees before "pleading for more money" from the Legislature.

A federation bulletin said it was "hard to understand" why SIU doesn't charge more than the present \$84 for tuition for Illinois students and \$114 for out-of-state students.

The federation said a study of 56 state universities and land grant colleges showed only two charge lower tuition for home-state students than SIU and Southern has "by far" the lowest rate in the nation for out-of-state students.

The federation said the U. of I. will charge \$180 for Illinois students next year and now charges \$366 for out-of-state students.

There was no evidence of a shooting scrape, Barrett said, but the young Southern Illinois university student who belongs to one of the highest families in Iraq, was in the Glen Gully house talking with his former wife, Helen, when the officers arrived. She is the daughter of the Gurlys.

Barrett said that the former wife was lying on a daybed, apparently very upset, and her mother was upset, too.

Mrs. Gurdy told Barrett that Al-Jaryan had come in through a window and that her former son-in-law had threatened her. Barrett said that the sheik had no gun on him but upon searching his car he found a loaded .38 calibre revolver under the seat.

Al-Jaryan had driven a 1939 model car to the Gurdy home, Barrett said. He usually drives a new \$7,000 automobile.

He was taken to Marion from the Saline county jail because the Gurdy home is in Williamson county and there a number of charges were filed against him.

Al-Jaryan appeared before Justice of the Peace Charles Gagle and County Judge A. R. Cagle this morning. He appeared before Gagle on charges of assault to kill and burglary. The justice set bond of \$7,500 on each count.

Al-Jaryan was arraigned before Gagle on two counts of aggravated assault and one charge of carrying a concealed weapon. Bond was set at \$1,000 on each count.

Stocks Spurt After Agreement

NEW YORK — Industrial shares spurted to a new record high today when the CIO Auto Workers reached a wage agreement with the Ford Motor Co.

Previous to the wage announcement, the market had been irregularly higher with trading light. Ralls had lagged behind the industrials but they too came back and were within a few cents of their best level since Oct. 26, 1929, touched on April 26.

Net gains ranged to more than \$1 a share.

Two Lightning, 17 Highway Deaths in State

By United Press
Traffic accidents took almost as many lives in Illinois last weekend as during the Memorial Day holiday weekend.

At least 17 persons were killed in Illinois highway mishaps from Friday night to midnight Sunday. This compared with 18 on the Memorial Day weekend, when it was one day longer since it included Monday.

Two persons were killed by lightning and one drowned this weekend, giving the state a violent death toll of 20.

Thirteen-year-old Gladys Griffin, Chicago, was struck and killed by lightning during a picnic Sunday near Willow Springs. Two girl companions were knocked to the ground by the bolt but escaped injury.

Fred M. Kecker, 29-year-old Oak Park lawyer, was killed by a lightning bolt on a golf course near Bensenville Saturday.

Six-year-old Craig Zorn drowned in the Fox River at Ottawa Saturday night behind the home of late State Rep. Lee O'Neill Browne, who drowned near the same spot almost 30 years ago.

Two accidents claimed three lives each. Philip Coleman and Robert Blanche, both 16-year-old North Lake Village youths, and truck driver Charles E. Wehner, 37, Elmhurst, died in an auto-truck crash in Leyden Township near Chicago Saturday.

Three persons were killed in a head-on two-car collision half a mile west of Dwight on Ill. 17 Sunday. The victims were Wilbur Norwood, 44, and his wife, Clara, 39, both of Lacon, and the driver of the other car, Frank Sobotta, 37, Kankakee.

Bobby Fox, 25, and Jack Hindman, 22, students at Southern Illinois University, were killed in a two-car crash in Carbondale Saturday.

Other victims included George Khury, 51, Herrin; Theodore McReynolds, Beaumont, Tex.; Mrs. Ruth Gray, 60, Chicago; Nancy Reese, 7, weeks old, Chicago; James S. Rada, 17, Chicago; Hershel Sawyer, 31, Chicago; Steve Pollack, 38, Indianapolis; Joseph Peters, Downey; and Thomas Prunty, 27, Clinton.

Couple Injured In Explosion

EAST ST. LOUIS, Ill. — A man and his wife were injured Sunday in an explosion at their home.

Police said the blast occurred when Mrs. Ethel Green, 22, plugged a radio-record player into an electrical outlet.

A black powder bomb went off and blew out the north wall of the eight-room frame house, investigators said.

Mrs. Green suffered severe cuts on her legs. Her husband, Frank, 28, was blown out of the room and suffered minor bruises.

The couple told police they knew of no reason anyone would want to harm them.

Charles H. Schrader Quits Teaching To Accept GMAC Post

Charles H. Schrader has resigned his position as teacher in the Golconda high school to accept employment in Memphis, Tenn., with the General Motors Acceptance Corporation.

His wife, Lila, and daughter, Laura, joined him in Memphis Wednesday. They are now making their home at 2300 South Parkway East in Memphis.

Pact Provides Principle of Guaranteed Pay

Reuther to Press General Motors For Same Terms

DETROIT — CIO United Auto Worker President Walter Reuther today won the "guaranteed semi-annual wage" for 140,500 Ford workers in a new three-year contract with Ford Motor Co.

The package, he said, was worth 20-cents hourly to the workers and established the principle of the union demand for a "guaranteed annual wage" even though it was only for 26 weeks instead of a year.

The new contract also provided pay raises, bigger pensions, and improved health insurance for the workers.

He said he immediately would seek to win the same benefit for General Motors' employees.

Reuther called it the "biggest package the union has ever won during its 20 years of negotiating with the automobile industry."

John S. Bugas, the company's chief negotiator, said:

"We both won. The public won."

The new contract was accepted unanimously by the union's national bargaining committee.

Expected Set GM Pattern
The action was expected to immediately bring to an end a strike against many Ford plants which started at midnight when a new settlement hadn't been reached yet.

"This is one of the most historic and largest contracts we ever negotiated," Reuther said.

He was expected to immediately press General Motors for a similar contract at negotiations.

The GM contract, which covers 325,000 UAW members, runs out Tuesday.

The Ford contract covers 140,500 hourly workers.

Announce New Way To Shrink Painful Piles

Science Finds Healing Substance That Does Both—
Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the
first time science has found a new
healing substance with the astonish-
ing ability to shrink hemorrhoids
and to relieve pain—without surgery.
In case after case, while gently
relieving pain, actual reduction
(shrinkage) took place.
Most amazing of all—results were
so thorough that sufferers made

The WASHINGTON MERRY-GO-ROUND by DREW PEARSON

DREW PEARSON Says:
Chinese Demand End Of
Blockade; Adenauer Wants To
Attend Big Three Foreign Min-
isters Conference.

WASHINGTON. — Prime Min-
ister Nehru of India has given the
State Department some un-
welcome news regarding the proposed
cease-fire around Formosa. As a
result of Kirsna Menon's many
talks in Peiping, Nehru has told
the State Department that Red
China will insist on the end of the
economic blockade of China as its
price for a cease-fire.

The blockade was imposed to-
ward the beginning of the Korean
war and has been maintained ever
since. Though violated to some
extent by western nations, never-
theless it has been effective
enough to hamper the entire econ-
omy of China seriously, and Prem-

be lifted.

In fact, Nehru made it clear
that this was one of the strongest
conditions Chou laid down in his

never agree to any truce unless
the West formally pledged that
every country would resume its
trade.

SENATE SALLIES

Illinois Democratic Sen. Paul
Douglas, riding backward on the
Senate trolley, remarked cheer-
fully to a tourist beside him:
"We're riding this thing Republic-
anwise. We're going forward
while looking back." Indiana's
pudgy Sen. Homer Capehart, the
juke-box king, was railing on the
Senate floor against installment
buying. His GOP colleague, Sen.
"Wild Bill" Langer of North Da-
kota, jumped up to agree. "I
think," suggested Langer, "we
ought to start with the Capehart
music boxes." Virginia's
rosy-faced Sen. Willis Robertson,
trying to explain a hopelessly com-
plicated amendment to the Senate,

finally blurted: "Don't listen to
the language of my amendment.
Just listen to what I tell you, it
means..." Colleagues are rib-
bing Sen. Strom Thurmond, South
Carolina Dixiecrat, for taking up a
full page of the Congressional Di-
rectory for his biography. Wise-
cracked Kentucky's Sen. Alben
Barkley: "We should have in-
voked cloture (the anti-filibuster
rule)." ADENAUER TO NEW YORK

Chancellor Adenauer of West
Germany has demanded he be in-
cluded in the western big three
foreign ministers conference being
arranged for New York June 16.

This is the meeting which is to
fix the strategy the western heads
of government will follow at the
big four meeting with Soviet Prem-
ier Bulganin in July. And be-
cause the future of Germany will
be the main problem, Adenauer
will probably have his way and be
invited to join the New York con-
ference.

However, it isn't likely Adenauer
will be invited to sit in "at the
Summit" later.

SIAMESE POLITICAL TWINS
The prime minister of Thailand,
young-looking veteran of Far East-
ern political vicissitudes, made a
great hit in the United States. Fly-
ing on a hectic schedule around
the nation, he stopped after a visit
at Niagara Falls to dine with Gov.
Averell Harriman in Albany.

The plane trip was rough and
the time short. But the prime
minister and his entourage had
changed clothes and were dressed
in dinner jackets when they step-
ped off the plane to be greeted by
the governor of New York.

Later, at a dinner given in his
honor, Prime Minister Luang Pibul
Songgram said in quaint English:
"I tried to prepare a speech, but
we got in the airplane and we had
much bumping. It was hard to
prepare a speech because of the
bumping."

"We are known for years to the
American people for twins. When-
ever we get what you call 'Siamese
twins' we send them to the
United States. You know us be-
cause of twins."

"But now," continued the prime
minister, "Thailand and the United
States have another bond. We
have become such friends that we
are almost like twins ourselves."

RUSSIAN A-ENERGY
Russian diplomats have confided
they will startle the world in a
few months by disclosing just how
much they know about the peace-
time uses of atomic energy.

Whether they can produce or
not remains to be seen. But,
without any fanfare, the Soviets
have agreed to attend a big confer-
ence in Geneva in August which
will be devoted to President Eis-
enhower's atom-for-peace plan.

And, in advance of this, the Sov-
iets have pledged to make public
more than 100 of their top-secret
experiments in farming, medicine
and industry.

SECURITY-GO-ROUND

Hubert Humphrey, the pithy
senator from Minnesota, has some
penetrating things to say about the
topsy-turvy handling of security
rules under Ike. State Depart-
ment investigators, he says, de-
liver adverse security judgments
14.5 times more often than the
Atomic Energy Commission, though
the AEC is conceded to have one of
the most effective security sys-
tems. Stassen's Foreign
Operations Administration, says
Humphrey, has a third fewer em-
ployees than the U. S. informa-
tion agency, yet Stassen fired 184
workers for security reasons in the
same period that USIA fired only
two. This proves that a man's
chances of getting fired on the ba-
sis of a wild, unproved accusation
depend more on the security offi-
cer where he works than on his
actual loyalty, says Humphrey. . .
Humphrey's solution? Setting up
specific standards for judging se-
curity cases. Today's decisions
depend on the fallible human
judgment of each agency head.
Under Truman, final decision went
to the top loyalty board headed by
a Republican, ex-Sen. Hiram Bing-
ham of Connecticut.

11th Anniversary Of D-Day

OMAHA BEACH, Normandy.
France — The Norman coun-
tryside was green and peaceful today
on this 11th anniversary of D-Day.
There was no official pomp and
ceremony at the beaches where
the greatest invasion in history
took place 11 years ago. French
children played along the shore, a
few American tourists visited the
coast.

Some of the veterans who were
there on June 6, 1944, came back
on sentimental journeys.

Lt. Col. William R. Washington,
of Crozet, Va., placed a wreath at
the monument erected to the mem-
ory of the U. S. 1st Division.

In the simple cemeteries of the
surrounding region, only the cross-
es of the dead recalled the blister-
ing fury of the battle which raged
11 years ago.

An armada of 3,000 ships bore
the Allied armies under the com-
mand of Gen. Dwight D. Eisen-
hower from Britain for the long-
awaited assault that was to break
the power of Nazi Germany in less
than a year.

The vanguard of 1 million men
hit the French coast that morning
11 years ago.

Sunday, the Duke of Gloucester,
uncle of Queen Elizabeth II, spoke
in Bayeux at dedication cere-
monies for a monument to men of
the British Commonwealth who died
in the invasion. The bodies of some
4,000 still lie buried nearby.

Dulles Cautions Against Optimism In Big 4 Meeting

COLUMBIA, S. C. — Secre-
tary of State John Foster Dulles
said today he doubts whether the
coming Big Four meeting will im-
mediately "relax" international
tensions as Russia is claiming.
However, he said he hopes the
heads-of-state meeting will "serve
to identify the present causes of
tension and set a course which
may lead to eliminating threats to
peace and freedom."

In cautioning Americans not to
expect too much from the forth-
coming conference, Dulles said:
"We shall need for some time yet
to live as a nation that is in peril.
That is the only prudent course to
follow."

The secretary, speaking at gra-
duation exercises of the University
of South Carolina, made no direct
reference to Vice President Rich-
ard M. Nixon's recent statement
that the conference could be the
world's last chance to "settle dif-
ferences peacefully and avoid a
catastrophic war."

The United States, Britain, and
France intend to invite Russia to
hold the Big Four meeting "at the
summit" in Geneva, Switzerland,
beginning July 18.

Dulles' speech was devoted
mainly to praising bipartisan ef-
forts in this nation's foreign policy
and of career foreign service per-
sonnel who carry it out.

Heroic Mother Halts Attempt To Kidnap Son

PORTLAND, Ore. (AP) — A man
who apparently intended to kidnap
a 6-year-old twin boy and hold him
for \$20,000 ransom fled early today
after the child's mother heroically
struggled with him.

Police said a man broke into the
home of Lillian Weinstein about
3:30 a. m. Mrs. Weinstein said she
saw the man bending over one of
the beds of her twin boys, Richard
and Robert.

She began struggling with him
and was struck on the head sev-
eral times with an automatic pis-
tol. Little Robert tried to help and
was slugged in the mouth.

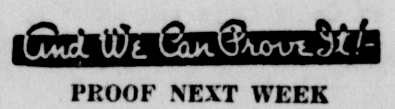

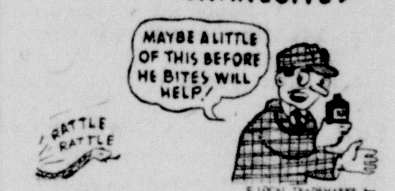

Mrs. Bertha Eisenberg, Mrs.
Weinstein's mother, heard the com-
motion. She told officers she rushed
downstairs and saw the intruder
with a typewriter taken from a
stand held high over his head, ap-
parently intending to throw it at
Mrs. Weinstein, who was on the
floor.

She shoved the man and the type-
writer fell to one side. Then, she
said, the man dived head first thru
the window. He turned and start-
ed back inside but a neighbor, Wil-
liam Monahan, who was awakened
by the noise, grabbed a .32 revolver
and fired into the ground. The
would-be kidnaper then walked
away.

Mrs. Weinstein and her mother
then found a note on the floor of
the bedroom which read: "Your
child is safe. Want \$20,000, noth-
ing bigger than \$20, all used and
not marked. Don't get the police
or the FBI."

The note continued with an im-
plied threat that another child
would be kidnapped and the price
would be "10 times \$20,000."

Mrs. Weinstein was not hurt seri-
ously.

PROOF NEXT WEEK

The Word "Spouse" Does Not
Mean a Married Person!

The word really means a person
promised in marriage, and comes
from the Latin, "spondeo," mean-
ing, "I promise". 1. "Popular

"Where are you going with my Chrysler?"

He's like any normal husband with a new Chrysler
in the family. He's learning why more wives
"borrow" it than any other car!

It seems that once a wife or husband gets to know
the ease and control of Chrysler's Full-time Power
steering, any semi-power steering feels clumsy and
heavy-handed. They both prefer Chrysler's smoother-
acting Power Brakes... and the alive feeling of
unlimited power in Chrysler's great new V8 engines!
They like the utter smoothness and silence of

PowerFlite Automatic Drive... and most of all
they enjoy being seen and admired in America's most
smartly different car!

Now two Chryslers would really keep a family like
this happy. Nevertheless, they'd be the first to tell
you that one is a thousand times better than none
at all. That's why we urge you to come in for a
personal look-see, and a drive.

It's a truly wonderful experience. And... Sir or
Madam... we suggest you bring your spouse!

Former Local Boy To Wed Indiana Girl

Miss Patricia Markstone

Announcement is being made of the engagement of Miss Patricia Markstone, daughter of Mrs. Lucille Markstone of Hammond, Ind., to John L. Peyton of East Chicago, son of Howard Peyton, East Chicago, formerly of Harrisburg.

Miss Markstone is a senior at Hammond Technical - Vocational high school while her fiancé was graduated from East Chicago Roosevelt high school. He is presently serving with the Air Force in Fairbanks, Alaska. His address is A-36 John L. Peyton AF16574197, 5010 Air Police Sq., A. P. O. 937, Box 120, Seattle, Wash.

Wedding plans are indefinite.

First Baptist Bethany Class Has Treasure Hunt

With following clues that ranged from in front of the Harrisburg Township high school to back of the Harrisburg hospital with stops at Pankey's bakery, the Fire department and 13 Dayton street, with solving crossword puzzles and looking up chapters and verses in the Bible, the members of the Bethany class of the Young Adult department of the First Baptist Sunday school had an active and most enjoyable Treasure Hunt Thursday evening.

Mrs. Russell Rose and Mrs. Fred Moore were hostesses for the evening and had composed verses giving each of the clues. The last clue led to the home of Mr. and Mrs. Rose, 1221 South Jackson street, where the monthly business meeting of the class was held. After the business meeting, presided over by Mrs. Max McDowell, class president, had adjourned, Mrs. Moore gave a beautiful devotion entitled "Finding Him," with scripture reading and prayer by Mrs. Rose.

The class is taught by Mrs. D. H. Hiller, and when Mrs. Hiller entered the living room of her hostess she was told to go to the dining room and there she would find her "treasure." As she reached the dining room the entire group began to sing "Happy Birthday," and to her great surprise she saw a beautifully decorated birthday cake and a package which she found to contain a lovely white blouse. Mrs. Hiller said that although she was among the poorest in solving the clues, she was really the one who found the "treasure."

Delicious refreshments of fruit salad and slices of the birthday cake were served by the hostesses to the following active members of the class: Mrs. McDowell, Mrs. Charles Sutton, Mrs. Bill Boyett, Mrs. Paul McSparrow, to those who are "Honor Roll" class members, serving in various departments of the Sunday school: Mrs. Noble Mitchell, Mrs. Loren Butler, Mrs. R. J. Morman, Mrs. Ernest Becker, Mrs. Cecil Abney, Mrs. Marjorie Brannock, and to the teacher, Mrs. Hiller.

Mr. and Mrs. Elmer Gilley and children, Dickie and David, and Mrs. Gilley's brother, Donnie Frey of Austin, Tex., are spending this week in Harrisburg visiting with his parents, Mr. and Mrs. Jim Gilley, and other relatives.

Miss Sherry Beth Leonard, who lives with her family on the naval base in Billington, Tenn., is visiting with her aunt, Mrs. Marie Hensley, and other relatives.

Mrs. Nellie Abney has had visiting her the past week her son and daughter-in-law, Mr. and Mrs. Orval Abney, of Maywood.

Gov't Seeks to Assure Public of Vaccine Safety

WASHINGTON — The government has launched an all-out campaign to restore public confidence in Salk polio vaccine.

The goal is to convince worried parents that vaccine produced under the new standards is—in the words of Surgeon General Leonard A. Scheele—"as safe as science can make it."

Meantime, the Senate Labor committee agreed today to defer action on bills to provide free polio vaccine until it has held two days of hearings this week.

The hearings will be limited to two bills—one backed by the administration and one by the Democrats on the committee. The administration bill would authorize spending 28 million dollars in federal funds to provide free vaccinations for children of families unable to afford them. The Democratic measure would authorize federal money to provide free inoculations for all children below the age of 20.

While the government sought to reassure parents about the safety of the vaccine, school closings ruled out vaccinations on the scale originally planned.

Scheele started the ball rolling Sunday night on a television program (NBC's "Meet The Press"). He said the danger of a child getting polio from vaccine in the future will be "absolutely minimal."

The chances that live virus in vaccine could slip past the stringent new safety tests, Scheele said, are about 1 in 100,000.

That, he commented, is "a much greater degree of safety" than is encountered in most of the things "we do every day of our lives"—such as driving an auto or crossing a street.

Love and Peace Shaken Up In Highway Accident

PRINCETON, N. J. — Love and peace were shaken on the Brunswick Pike Sunday.

A car driven by Miss Lovely Peace, 47, struck the highway's center island and overturned. Miss Faithful Love, 40, suffered a cut elbow. Miss Glorious Love, 60, another passenger, was unhurt. Miss Peace got a summons for careless driving.

TO OBSERVE 50TH ANNIVERSARY — Mr. and Mrs. Albert Williams will celebrate their golden wedding anniversary with open house Friday, June 10, from 2 to 8 p. m. at their home on Equality RFD 1 in the Rocky Branch community. Friends and relatives are invited to attend.

Births

To Mr. and Mrs. Gene Harrison, RFD 4, Golconda, a boy named Ronald Gene, weighing six pounds, nine ounces, born June 4 at the Harrisburg hospital.

To Mr. and Mrs. Glendal Gene Pyle, Carrier Mills, a girl named Angela Lynn, weighing six pounds, born June 5 at the Harrisburg hospital. Mrs. Pyle is the former Norma Lou Sutton.

To Mr. and Mrs. Thomas Carpenter, Harrisburg, RFD 4, a boy born June 5 in Ferrell hospital. The baby weighed seven pounds, 13 ounces, and was named Thomas Richard. The mother is the former Norma Jenkins.

In Memoriam
In loving memory of our daughter, Deloris Ann Yates, who left us on June 6, 1947.
Nothing can ever take away
The love a heart holds dear.
Fond memories linger every day
Remembrance keeps her near.
Sadly missed by mother and
daddy, Mr. and Mrs. Harry Yates.

Harry 'The Hat' Should Have Better Luck As Cardinal Manager Than Driving Auto

By HARMAN W. NICHOLS
United Press Staff Correspondent
WASHINGTON (U.P.)—I hope Harry (The Hat) Walker has better luck as new manager of the St. Louis Cardinals than he did running an automobile back in 1946.

Harry was tagged "The Hat" because while at bat he used to thumb and finger his cap between pitches to confuse the enemy on the mound. It got him a lot of free rides to first base, he always said.

Anyhow, in 1946 I was in a tizzy trying to sign up Dizzy Dean, the

old pitcher, to a contract which called for me to play his ghost writer.

Of Ditz kept stalling and screaming that he didn't see no dollar sign, although it was there in fine print. Ditz finally agreed to terms and we were getting ready to run out to his house to sign the works. Harry, then an outfielder for the Cards, dressed and Ditz, who had broadcast the game, came down.

How They Waited
We waited while "The Hat" signed a lot of autographs. It seems that that very day Harry had bought a new car. Also, on the way to the ball yard, some fan had presented him with a 32 calibre target rifle.

"Hold this, Nick," said "The Hat," handing me the weapon. So, we got into Harry's brand new bus and away we went. We hadn't gone too far when there was the awful sound of a police siren behind us.

"Mr. Hat," said clown Dean, "Yawl went through two red lights."

We pulled to the side and a burly cop came over.

Cop Lists Complaints
"You ain't got no plates on this car," he said. "Not only that you ran two red lights. And let's see your driver's license."

Harry didn't have one. The officer was busy putting everything in the book.

"How about your registration?" Walker didn't have that, either.

The officer said that looked pretty bad, and most certain it did at the moment.

And then old Ditz had to open his chops again.

"Ask that jerk in the back seat if he has a permit for that thar shooting arm."

There I sat looking like a gangster or a sheriff, maybe. And of course I had no permit, and Walker didn't either.

Pencil Wears Out
The officer was wearing out one pencil and reaching for another.

"By the way," he asked, looking askance, "where have you guys been?"

"I'm started to butt in."

"We all been—" "The Hat" woke up and took over, firmly but politely.

"We've been to Sportsman Park, sir."

"What were you over there for?" From Dean:

"There was a ball game over there."

A Happy Ending
The cop turned to the man who now manages the Redbirds.

"And you—what were you doing there?"

"I didn't get all of your name when I stopped you—how was that again?" asked the cop.

"Harry Walker, sir."

"The Hat" had just won the game with a double in the ninth.

The officer tore up the tickets.

"Wasn't that a helluva game?" the cop said, and handed out three cigars—a fine twist.

Summer Camp July 25-August 19 for Mentally Retarded Boys and Girls

A summer day camp sponsored by the Southern Illinois university at Carbondale will be held July 25 through August 19 for boys and girls between 7 and 14 who are mentally retarded.

Transportation will be by bus and the children will be picked up at spots designated by the camp committees in Murphysboro, Carbondale, Herrin, Hurst, Colp and Carverville. Program activities will begin on the bus.

The boys and girls must be reasonably self sufficient. No child with a serious cardiac condition or violent epileptic seizures will be admitted.

The children will be required to take a lunch and this will be supplemented with milk or fruit. A fee of \$3 per week will be charged. Equipment will include swim suits, bath towels, wash cloths and a change of clothing.

The camp will be discussed further at the meeting of the Saline County Association for Mentally Retarded Children which will be held Tuesday evening at the Dorrisville grade school.

Johnny Thomson Beats Sweikert For 100-Mile Title

MILWAUKEE, Wis. (U.P.)—Johnny Thomson, who won the 100-mile big car championship Sunday in record time, said his racer deserved all the credit. "All I had to do was step on the gas."

The veteran driver from Springfield, Mass., defeated Bob Sweikert winner of the Indianapolis 500, by 23 seconds, and finished with a track record of 1 hour, 42.108 seconds. He averaged 98.6 miles per hour.

Thomson was driving a car which brought victory for the late Manuel Ayulo in a 200-mile race here last year. Ayulo was killed in the time trials at the Indianapolis classic this year.

Sweikert also credited his car with his second place finish but he told John Zink, owner of the racer, that he wanted to make some changes in the vehicle.

"It's nice to make money while you're experimenting with a new car," Sweikert said.

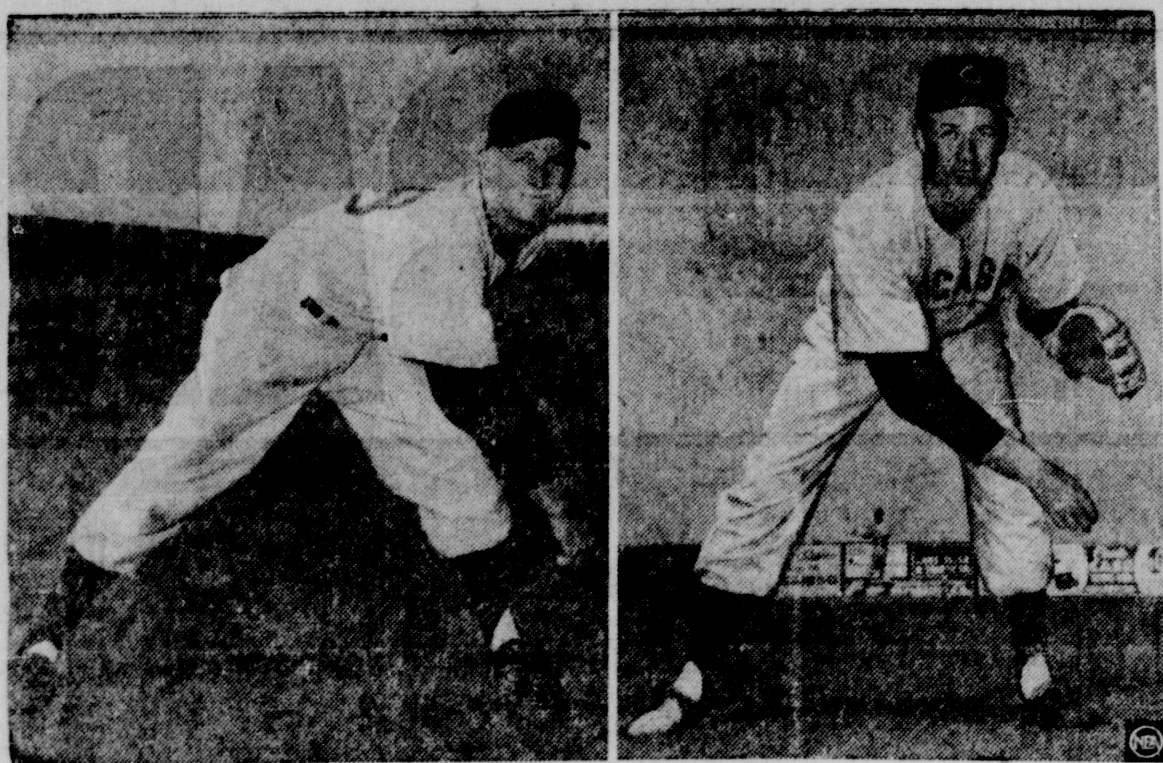

The win earned \$5,400 for Thomson with the rest of the \$22,100 purse divided among top finishers.

It was the second time that the track record has been broken since a new asphalt track was laid down last year. Chuck Stevenson, Garden City, Calif., set a record in 1954 with the time of 1 hour, 1 minute, 28.111 seconds.

The 33-year-old Thomson didn't take the lead until the 39th lap on the one-mile track. Sweikert had held the lead from the 20th lap until Thomson took over.

Pat Flaherty, Chicago, finished third despite a mishap early in the race in which his car spun completely around.

Fourth place went to Jimmy Bryan, Phoenix, Ariz., national big car champ in 1954, and Jimmy Davies, Pacoima, Calif., finished fifth.

HANDCUFFERS—Warren Hacker, left, and Bob Rush form half of the surprising Cubs' Big Four. The others are Paul Minner and Sam Jones.

Harry Grayson's SCOREBOARD

Rival Pilots See Cubs as Contenders; Mound Staff's ERA Sets Tempo for Climb

NEW YORK (NEA)—The Cubs' run at the Dodgers may have even their more optimistic followers in the aisles, but it is not surprising to rival National League managers.

Can the Chicago club remain in contention?

"Why not?" asks Walter Alston of the Dodgers. "The kind of pitching the Cubs have been getting will take a club a long way, especially when it is backed up by one of the finest infields in baseball."

"The Cub infielders not only make all the plays, but hit for distance. Dave Banks, a superior shortstop, is among the home run leaders. Gene Baker, the second baseman, was a clean-up hitter in the Pacific Coast League. Randy Jackson is an established major league third baseman and home run hitter. Few players in the league are faster than Dee Fondy."

"All I know about Bob Speake is that he is hotter than fluid lava. Stan Hack has a fine defensive outfielder in Jim King. . . and remember that big Hank Sauer and Frank Baumholtz are on the bench."

Fred Haney calls Banks the best shortstop in the business.

"Banks and Baker easily could become the slickest double play combination in the game," says the manager of the Pirates.

"Banks fairly shoots runners out and Baker gets the ball away like a magician."

"They say that Eddie Miksis' switch to center field made the club well, once he found his way around out there, an experienced infielder with speed figured to be considerably more than adequate in center field. Many outstanding center fielders, Joe DiMaggio and Mickey Mantle among them, broke in as shortstops, giving them a flying start in fielding ground balls."

"So, with the outfield straightened out behind stickout infielders, the Chicago pitching came around to put the club on the right track. Any baseball man knows that an outfit isn't going anywhere without pitching, and when a club has fellows who get the other guys out and a stout defense and just a little hitting, it's a strong candidate to take all the marbles."

Earned-run averages best tell the Chicago success story—Howie Pollet 1.50, Warren Hacker 1.65, Hal Jeffcoat 2.25, Bob Rush 2.71, Jim Davis 2.86, Paul Minner 3.83 and Sam Jones 4.25.

"Jones accounts for the difference."

Johnny Thomson Beats Sweikert For 100-Mile Title

MILWAUKEE, Wis. (U.P.)—Johnny Thomson, who won the 100-mile big car championship Sunday in record time, said his racer deserved all the credit. "All I had to do was step on the gas."

The veteran driver from Springfield, Mass., defeated Bob Sweikert winner of the Indianapolis 500, by 23 seconds, and finished with a track record of 1 hour, 42.108 seconds. He averaged 98.6 miles per hour.

Thomson was driving a car which brought victory for the late Manuel Ayulo in a 200-mile race here last year. Ayulo was killed in the time trials at the Indianapolis classic this year.

Sweikert also credited his car with his second place finish but he told John Zink, owner of the racer, that he wanted to make some changes in the vehicle.

"It's nice to make money while you're experimenting with a new car," Sweikert said.

The win earned \$5,400 for Thomson with the rest of the \$22,100 purse divided among top finishers.

It was the second time that the track record has been broken since a new asphalt track was laid down last year. Chuck Stevenson, Garden City, Calif., set a record in 1954 with the time of 1 hour, 1 minute, 28.111 seconds.

The 33-year-old Thomson didn't take the lead until the 39th lap on the one-mile track. Sweikert had held the lead from the 20th lap until Thomson took over.

Pat Flaherty, Chicago, finished third despite a mishap early in the race in which his car spun completely around.

Fourth place went to Jimmy Bryan, Phoenix, Ariz., national big car champ in 1954, and Jimmy Davies, Pacoima, Calif., finished fifth.

Doc Heilig Wins Five Events in Speedway Program

A complete stock car racing program was staged at the Saline Speedway Saturday night with Doc Heilig of Harrisburg driving his H-3 to victory in five events.

Heilig was tops in the time trials and flashed across the finish line in front in the first heat, the handicap, semifinal and 25-lap feature.

Racing will continue each Saturday at the speedway throughout the summer months.

Results of all events:

Time trials—Doc Heilig in the H-3; Glenn Gibbs in the 97; Bill Mihan of Paducah in the 13;

First heat—Heilig, Dago Williams of Carbondale in the 40, Mihan;

Second heat—Gibbs, Dean Malady in the 70, Rip Sowers in the 1200;

Third heat—Mihan, Williams and Sowers;

Handicap—Heilig, Williams and Gibbs;

Semifinal—Heilig, Gibbs and Mihan;

Feature—Heilig, Mihan and Ed die Hancock in the 97.

Newsman Slug Out 13-9 Win Over 'Odd Sox'

WASHINGTON (U.P.)—Newsman "Slugging" Ernest Barcella of United Press clouted a three-run homer and Bob Cooney of NEA newspaper service drove in two runs with a triple to provide the big blow for the National Press Club "All-Stars."

The politically famous lineup of the "Odd-Sox" fought back as newsreel and TV cameramen recorded a play-by-play for their constituents to view, but they were unable to overcome the five-run deficit.

The Odd-Sox, confident that they were the best, immediately challenged the newsmen to a return match. There will be at least a three-week interval, however, while bruised bones and tired muscles mend and heal.

Husky Rep. Bruce Alger (R-Tex.), who followed Jackson on the mound, provided a little stick power for the "Odd-Sox." He drove a mighty ground rule double into the confines of a free pony ride area for children in deep centerfield. No one was injured, not even Alger.

Rep. Sam Coon (R-Ore.) handled the catching chores for the "Odd Sox."

Manager Jackson of the "Odd Sox" could scare up only two other senators for his opening lineup. But athletic-minded House members, including Rep. James Roosevelt (D-Calif.), turned out to keep the congressional lineup full.

Sen. Richard L. Neuberger (D-Ore.) was first-sacker for the "Odd Sox," and Sen. Mike Mansfield (D-Mont.) held down third base most of the way.

Stars Defeat Sebree, Ky., Nine, 9 to 5

The Harrisburg Stars defeated Sebree, Ky., 9-5, in a contest played at the losers' park Sunday afternoon.

The Stars collected 12 hits and nine runs off the offerings of Sebree hurlers Deal and Melton, both young right-handers.

Chas. Rauh received credit for the win, his first of the season. He pitched the first five innings, giving up five runs on eight hits. Don Wallace finished the last four innings, giving up no hits or runs and he struck out six batters. Cowger handled the catching chores for the locals.

Harrisburg started the scoring in the first inning with Burgett's single followed by a long home run by Ron Ziegler which cleared the left center field fence at the 360-foot marker.

Sebree went ahead in its half of the first on four hits and four runs. The Stars tied up the count in the third on a walk to Rauh, a single by Ziegler and Shewmake's triple.

They scored again in the fifth on a walk to Rauh, singles by K. Nolen and Burgett and Ziegler's sacrifice fly. Sebree tied the score again in the fifth with a walk, a base hit and a fielder's choice.

The Stars again took the lead in the sixth with three runs on a double by Rauh, hits by Burgett and Siskv and highlighted with Shewmake's theft of home. They scored a single marker in the eighth on hits by Ziegler and Shewmake.

Ziegler was the big gun for the Stars with a home run and two singles in three official times at bat and driving in four runs. Burgett got three hits in four attempts and Shewmake two hits in five tries. Others getting hits were K. Nolen, Smith, Rauh and Siskv getting one hit each.

The Stars will travel to Mt. Vernon, Ind., Wednesday night for a game under the lights and Sunday, June 12, will be host to the Uniontown, Ky., Colored ball club.

All players are to be at the town park diamond by 5:10 p. m. Wednesday to make the trip to Mt. Vernon.

The Stars now have a season record of four wins and one loss.

Local Team in Coal Belt League Loses Opener, 6-5

Harrisburg's entry in the Coal Belt league opened the season Sunday afternoon with a 6-5 loss at Benton.

The league, for boys 20 years of age and under, started operation May 22, but Harrisburg entered play yesterday for the first time. One of the teams originally scheduled for the loop dropped out and the local team was invited to fill the eight-team league.

Other members of the league are Benton, Anna, Herrin, Johnston City, Christopher, Carbondale and Marion.

Sunday, June 12, Anna will play here. Harrisburg home games will be played at Taylor Field, it was announced today.

Price paced Harrisburg at bat Sunday with four for four. Mitchell had three hits in four tries and Cummins two out of four. Hatcher smashed out a home run.

Powell, allowing nine hits, hurried the distance for Harrisburg with Hasset's receiver.

Benton scored once in the first, two runs in the fourth and single tallies in the fifth, sixth and eighth. Harrisburg had one run in the third and enjoyed two-run rallies in the fourth and seventh.

Senators Reverse Play of Last Season, Win Three Out of Four from Indians

By United Press
The Cleveland Indians made patsies of the Washington Senators enroute to their 1954 pennant but whistling Charley Dressen has the American League champions dancing to his tune this year.

Charley's Senators made it a "lost weekend" for the Tribe when they took three of four games and equalled their entire 1954 victory total against the Indians. The Indians compiled an 18-4 record against Washington last year but the Senators lead this season's series, 4-3.

The Senators took Sunday's opener, 6-4, and seemed about to sweep the four-game series when the Indians staged a six-run, seventh-inning rally that gave Early Wynn his seventh victory of the year in the 6-3 nightcap. The split left the Tribe four games behind the first place New York Yankees, who beat the Chicago White Sox, 3-2, in 10 innings after losing the opener of their doubleheader, 5-3.

The Senators' ability to stand up to the Indians could easily develop into a crucial factor because it was Cleveland's ability to wallop Washington, Philadelphia, Boston and Baltimore that was the key to its record 111-game victory total last year. The Indians were 18-4 over the Senators and Athletics, 20-2 over the Red Sox and 19-3 over the Orioles for a composite 75-13 last year. The Yankees, meanwhile, played 61-27, 693 ball against the same four teams.

Story Reversed
But, with the Senators acting up this year, the story is almost exactly reversed. The Indians' composite mark against the four-some this season is 19-8. The Yankees, on the other hand, have beaten those four teams, 26-8, for a .765 average, and a net gain of 3½ games. Thus, the turnabout has produced all but a half game of the Yankees' four-game lead.

Johnny Schmitz survived two homers by Vic Wertz and one by Bobby Avila to win the first game for the Senators and notch his fourth victory. Dean Stone then shut out the Tribe for six innings before the big six-run rally. Key blow of the frame was a three-run triple by Al Smith. It was the 191st triumph of Wynn's big league career.

Billy Hunter's inside-the-park homer gave the Yankees their split after the White Sox routed Tommy Byrne in the first inning of the opener. Jim Rivera hit the first grand slam homer of his career to account for four runs and Sherman Lollar followed with another homer. Dick Donovan went the route, yielding five hits for his sixth win. Andy Carey, Mickey Mantle and Chico Carrasquez hit homers in addition to Hunter in the nightcap.

Seven Splits
Seven of the eight doubleheaders Sunday resulted in splits and the eighth was pending completion of a suspended game between the Milwaukee Braves and Philadelphia Phillies. The Braves won the opener, 5-4, with the aid of Ed Mathews' two homers but the Phillies had a 4-0 margin when the nightcap was suspended in the seventh frame.

Rookie Duke Maas' first major league shutout and a 12-hit attack enabled the Detroit Tigers to score a victory but Cal Abrams' triple and two-run homer paced the Baltimore Orioles to a 6-5 decision in the nightcap. Hector Lopez singled home the winning run in the 10th inning to give the Athletics a 5-4 win but the Red Sox won the second game, 4-3, with the aid of Norm Zauchin's eighth home run.

Sal Maglie's seventh straight victory enabled the New York Giants to beat the Chicago Cubs, 3-2, but Sam Jones won his sixth decision in the nightcap when pinch-hitter Frankie Baumholtz hit a three-run homer in the ninth off relief pitcher Marv Grissom. Jim Hearn was the loser.

The Brooklyn Dodgers came up with six and four-run rallies for a 10-6 conquest after Ken Boyer's two homers sparked the St. Louis Cardinals to a 9-4, 10-inning victory. Jackie Collum's nine-hitter gave the Cincinnati Redlegs a 5-1 win after Ramon Mejias singled home in the winning run in the ninth inning to give the Pittsburgh Pirates a 7-6 decision.

SMITH - ALSOP'S
2 COAT PAINT PLAN

Proven... Tested... MORE ECONOMICAL

The Smith-Alsop proved and tested two-coat painting plan gives you the better job. More economical, too—because the paint goes further and the job lasts longer.

1st Coat
99 Primer
A properly sealed surface is so important. Weathered wood or new wood must be sealed evenly and "99" Primer does that job and does it better.

2nd Coat
Hi-Grade Mixed Paint
Today, as for many years past, people who know insist on Smith-Alsop Hi-Grade Paint, because they have found no other paint can match it for covering, appearance and lasting quality.
